TO WHOM IT MAY CONCERN

This certificate serves to confirm that **Mr. Abhishek Agrahari**, a third-year undergraduate student pursuing a B. Tech degree in the Department of Computer Science at Harcourt Butler Technical University, Kanpur engaged in a physical internship under my supervision at the Department of Electrical Engineering, Indian Institute of Technology Patna. The objective of his internship was to explore the application of deep learning techniques in image processing for the purpose of leaf disease detection and severity estimation. His internship spanned from 14th June 2023 to 24th July 2023. Throughout his tenure at IIT Patna, he exhibited a good conduct and delivered a satisfactory performance.

Thank you,

Sincerely,

Rajib Jha
